

AMERICANS *for* TAX REFORM

March 31, 2011

The Honorable Kay Bailey Hutchison
United States Senate
Washington, DC 20510

Dear Senator Hutchison:

On behalf of Americans for Tax Reform, I am pleased to support your amendment (“Save Our States”) #197 to S. 493. I would urge all senators who want to see the jobs-killing Obamacare law stopped to support your amendment.

The “Save Our States” proposal is simple: it would impose a common-sense moratorium on any further implementation of the Obamacare law until the courts have decided on the constitutionality of the law. It just makes sense to wait until this is settled before committing taxpayer resources to a law which may never actually be fully-implemented.

This common-sense amendment should be supported by every senator who wants to prevent Obamacare from doing any further damage to American taxpayers.

Sincerely,

Grover Norquist
President
